

## Popsicle Stick American Flag

What you need:

- 🇺🇸 Both mini and normal-sized popsicle sticks
- 🇺🇸 Red, White and Blue paint
- 🇺🇸 Paint brush
- 🇺🇸 Glue
- 🇺🇸 Newspaper (for a placemat so the paint doesn't get on anything)
- 🇺🇸 Glitter (optional)

Steps:

*For You:*

- Lay down newspaper on a solid surface
- Lay 7 of the regular sized popsicle sticks horizontally
- Glue 3 sticks vertically on top of the horizontal stick. Placing on the left, middle and right (this will provide support for your flag)
- Flip it over so the vertical sticks are on the back
- Add paint to the popsicle sticks to make it look like the flag
- Add glitter to give it an extra sparkle!

*For Your Doll:*

- Lay down newspaper on a solid surface
- Lay 6-7 mini popsicle sticks horizontally
- Glue 2 mini popsicle sticks vertically on top of the horizontal sticks. Placing one on the left side and one on the right side (to provide support)
- Flip it over so the vertical sticks are on the back
- Add paint to the popsicle sticks to make it look like the flag
- Add glitter to give it an extra sparkle!
